## April Chapel Offering

Bethel Ministries is currently sponsoring Pastor Leandro Mangold, a Brazilian Lutheran Pastor through the Brazil Mission Society. He is the pastor of 6 small congregations in Brazil. Our congregation has partnered with them to raise money to purchase land in Westphalen to build a new church to allow for growth of the congregation there. The land has been purchased and a two phase construction plan is currently being developed by the congregations.

We have inquired about ways we might help Pastor Leandro in his ministry. He expressed a need for Bibles with large print. This month our offerings will go toward the purchase of these Bibles.

Please keep our Brazilian friends in your prayers.

### Culver's Night Winners

Once again, Bethel Lutheran School was the winner of the Culver's School Challenge. This was a friendly competition between all of the grade schools in Morton and it was sponsored by Culver's of Morton. Out of all of the schools, we generated the most sales to become the Challenge Champions for the second year in a row! We found out the news last Friday when Mr. Jacob met at Culver's with the other principals from Morton. A principal from one of the other schools remarked, "It looks like you have a very strong, supportive group of families at Bethel."

We couldn't have said it better ourselves! Congratulations!
