PRINCIPAL'S CORNER

Principal John Jacob

This Wednesday

100th Day of School: Barring any snow days, Wednesday, January 31, will be our 100th day of school. The kindergarten classes will, of course, be celebrating by having Zero the Hero visit and other special activities. For the rest of the school, we are encouraging students to dress up like they are 100 years old or wear a shirt with numbers on it. Have fun!

NEXT MONTH

Coming Soon - Registration for the 2024-2025 School Year: It is time to start thinking about registration for the next school year. Registration dates are provided below, and specific instructions will be emailed to you soon.

February 15 – Returning Students*

February 26 – Bethel Church Members

March 4 – Open Registration

*As a reminder, our school uses a continuous enrollment process, which means students automatically roll over to the next school year unless you notify us that students will not be returning. We certainly hope that you will join us again for another great year in 2024-2025. If you are undecided and have any questions or concerns, please do not hesitate to contact me through the school office.

This year, 6th grade is supporting the Ronald McDonald House Charity. They will be collecting pop tabs for the Pop Tab Program. The tabs will be collected at school in a designated container in the commons.

Any aluminum tabs are acceptable.

Most common products are: Soda, Soup, and Cans

This program allows the charity to sell the aluminum to United Scrap Metal at market rate and donate the money to their cause of providing housing for families that need a place to stay close to their hospitalized child.
