

February News

We have so much fun planned for February! During our first two weeks, we will celebrate our friendships and exchange small valentines; look for a letter with details to come home with your preschoolers soon. We will then explore living things through our upcoming Creation unit, ending with dirt days! We look forward to learning all about God's love for us and His glorious creations throughout the month.

Reminders

-We will be holding optional preschool parent/teacher conferences on February 12 & 13. There will be no preschool on these days. Please watch for sign-up sheets outside your child's classroom or in a sign-up email.

-Registration for our next school year starts this month. More information about our classes and how to get signed up for next year is coming home very soon; if you have questions, please contact Mrs. Deverman or let your classroom teacher know!

Learning Focus

Units: Valentines Day & Creation

Preschoolers will:

- learn about friends and understand that Jesus is our best friend
- understand that even though we are all different, Jesus loves us all the same
- learn about and celebrate Valentines Day and Presidents Day
- learn the creation story and that God created everything
- learn that God created people on the 6th day, and He loves us no matter what
- learn about the needs of living things

Letter Focus:

L, M, N, O, P

Bible Verse:

"Love one another."

John 15:12
